

The White Family Foundation

The White Family Foundation Grantee Annual Report Format

The White Family Foundation requests the following information be submitted to the Foundation before filing another Letter of Inquiry. You are welcome to add additional comments or materials that will help keep us informed about the program supported by the Foundation grant or pertinent information about the success of your organization.

How were the Funds used?

(Briefly describe how the funds were used and the impact they had on your program. Include specific details about constituency served and the outcomes as a result of the program supported.)

What was the impact of this program/project or service and how will lessons be applied to future programming?

How many individuals were impacted by this program/project or service? Be explicit and explain in substantive ways how the program/project or service was beneficial.

Describe staffing/volunteer talent in organization that makes program/project or service a success?

If this was a singular program/project or service, do you have intentions of building on its success to grow?

Did this grant leverage other private resources?
